# Who and What are the Melungeons?

### MYSTERIOUS RACE IN MOUNTAINS OF TENNESSEE

They are not Whites or Blacks and they are not descended from Red Men

It was shown by tradition and the popular tradition among the people of the time around the time of the discovery of the race that the people of the mountains of Tennessee were of a peculiar race. They were not Whites, nor Blacks, nor Red Men, but a mixture of all three. They were a people of a peculiar race, and their origin was a mystery.

A number of these people crossed the Allegheny Mountains and settled in the mountains of Tennessee. They were a people of a peculiar race, and their origin was a mystery.
